Cylinder Diameter	1 5/8" (40 mm)
Work Space (Needle to Arm)	4" (100 mm)
Stitch Type	103

* Speed depends on materials, operation and thread

Specifications subject to change without notice.

*Ideal for alteration rooms, tailors, clothing rentals, dry cleaners,
department stores, dressmakers and home use*

Perfect for sewing all weights of materials including synthetics, woolens, cottons, fabrics and knits

1 to 1 non-skip stitches, typical operations include felling edge tapes, bottoms of trousers, cuffs, wiggling in sleeves, facings to canvas and knit goods, turned-up bottoms of fully lined coats, padding collars and lapels, and reinforcing trouser seats

2 to 1 skip stitch for hemming dresses, skirts, slacks, trousers, sportswear, ladies coats, draperies, blouses and other articles

Suitable for felling operations requiring a skip stitch to simulate hand-stitching

2 to 1 skip stitch is recommended for synthetics and other lightweight materials and 1 to 1 for heavier cotton, woolen and linen goods
